# Memory Garden

Be still and know that I am God  
Psalm 45

**The Memory Garden** is a place for families to go to remember the loved one they've lost. On Green Valley's campus, the garden will provide places to sit, pray, reflect, be still. We pray that this garden will provide healing as families will have the opportunity to purchase a plaque in honor of their loved one. There are opportunities to volunteer in the ongoing upkeep of this gift to our community.

## VOLUNTEERING OPPORTUNITIES

There are many ways to get involved with Grief Support and help make a difference in our community. From serving food, to admin support, your gifts are invaluable to making this ministry work. For more information, please contact Scott at 530.622.3231 x 217 or [s.layton@greenvalley.church](mailto:s.layton@greenvalley.church)

# Memorial Services

**Green Valley Community Church** helps those in our community who have lost a loved one due to death. We do this by providing memorial services, at no cost, to the families. This includes our facility, service planning, food and resources.

**We will meet with you** and help plan your loved one's service. We design and print memorial cards, produce slide shows, decorate tables, and provide food for guests attending the reception.

*If you would like to talk to someone on our Funeral Ministry team, please call Scott Layton at 530.622.3231 x 217 or [s.layton@greenvalley.church](mailto:s.layton@greenvalley.church)*

**No one can replace the loss of a loved one...** But we can help you get through it. When you are ready, GVCC has ongoing, year-round support called GriefShare, which is a 13-session semester class that you can join at any time. We meet Tuesday nights, on campus, in the Family Center (Room 128) from 6-8pm. It is \$17 per semester, which includes a workbook, but scholarships are available. There is no need to pre-register...just show up!

*For more information on GriefShare, please contact Cindi Ehrgott at 530.622.3231 x 224 or [c.ehrgott@greenvalley.church](mailto:c.ehrgott@greenvalley.church)*

**To help Moms, who have lost a child, grieve with hope.**

We do this through sharing, encouragement, laughter, tears and love. We teach one another the importance of forgiveness and acceptance. By studying God's Word, together, we are able to keep a heavenly perspective, to move forward with our life, and to finish the work God has for us.

**Grieving with Hope** meets once a month on a Monday evening from 6:00-7:30pm, at GVCC in the Family Center. Call, below, for the current schedule.
